

MOST HOLY TRINITY CATHOLIC CHURCH

Application for OnLine Instant Pictorial Directory

Why Should we have an Online Pictorial Directory for our Parish?

Strengthen Your Church Community

A church directory should be more than just a stale list of names of families or individuals that attend your church—a church directory should be a dynamic reflection of the people that make up the community of your church. Putting names with faces, helping make new friends, encouraging new members and welcoming visitors are just a few things that a church directory can help with.

Here is How You Can Help Us Build A Community of Family & Friends:

Fill out the Application Form.

Return the completed printed application 4 ways: a) to the office, b) drop box outside the office door in the parish hall foyer, c) drop it in the collection basket as Mass, or d) just return it electronically by email to: publicity@mhtcatholic.org.

Send a family photo (one picture per family) to publicity@mhtcatholic.org, or you can upload your own photo once your information is added to the directory.

Once the application has been reviewed and added to our online pictorial directory you will receive an email that you are ready to setup you APP on your mobile device or computer.

For computer access, use this following link and click, **First Time Signing-In** at this website link follow the same steps at the APP. <https://members.instantchurchdirectory.com/>*
